## Meeting and culture bus

Ready to try something new?

CuBus is a new and extraordinary concept in the field of transport. CuBus is a culture lounge on wheels, adding a whole new dimension to the concept of "To live is to travel".

Put another way, it is not so much a matter of "walk and talk" as of "drive and discuss". Travelling in the bus makes it simple to continue the meeting and provides an excellent opportunity to network. The setting stimulates a different type of interaction when the bus takes a corner or drives over a speed bump - something you rarely experience in a meeting room ...

What is more, you can book entertainment for your trip - see [cubus.dk/oplevelser](http://cubus.dk/oplevelser) for details.

### Meeting facilities:

- Projector, headset, wireless microphone, 220V sockets
- Six tables for dividing the group into teams
- Songbooks, piano and fireplace video
- Pick-up in Billund, Odense or Nyborg, if appropriate
- Sparkling wine and snacks
- The most accommodating VIP bus in Denmark, with room for 27 people
- Extras: Local beer on tap, stand-up comedy, live music, etc. Transport to and from the first venue.
